25.001	40.000	644 €
40.001	And upwards	736 €

D. Rates for Sundry services

When a tug is required to provide a service, or to perform work, not specified in the above Tariff Rates (A - C) and, in any case, outside of, and further distant to or seawards, the Piraeus Pilot Buoy, the charge per hour or part thereof will be Euro 960.00 per tug commencing from the time of the tug's departure from her normal berth until return thereto with a minimum of four (4) hours per tug.

E. Towline charge

In case the tug's own towline is used for the tow service, there shall be, in addition to the above Tariff Rates, a lump sum charge in the amount Euro 200.00.

F. Charge in case of impossibility for the tug to return to Piraeus through sailing the Navstathmos Channel due to prohibition.

In case the tug completes its services/ work at the port of Eleusis at a time during which it is impossible for the tug to return to its base (Piraeus) through sailing the Salmis Navstathmos Channel due to prohibition (viz. after the sunset), there shall be, in addition to the above Tariff Rates, a lumpsum charge in the amount Euro 1,200.00.

2. "Normal Working Days"/ "Normal Working Hours"

"Normal Working Days" are considered Monday to Friday and "Normal Working Hours" are considered 07:00hrs to 14:00hrs (all seasons).

3. Surcharges to Rates [as per par. 1.(A - D) above]

- 60% extra for work from 14.00hrs to 22.00hrs for the "Normal Working Days".
- 85% extra for work from 22.00hrs to 07.00hrs for the "Normal Working Days".
- 60% extra for work from 07.00hrs to 14.00hrs on Saturdays, Sundays and Holidays.
- 105% extra for work from 14.00hrs to 22.00hrs for Saturdays, Sundays and Holidays.
- 130% extra for work from 22.00hrs to 07.00hrs for Saturdays, Sundays and Holidays.
- 25% extra when the vessel does not use her engine(s).

4. Extra charges on the total amounts charged for Christmas, New Year and Easter periods.

- 20% for Easter period (fifteen (15) days commencing from the Sunday before Easter until the Sunday after Easter both Sundays included).
- 25% for Christmas and New Year period commencing from December 21st until January 10th both dates included.

5. Holidays

January 1st, January 6th (Epiphany), First Monday of Lent, March 25th (Independence Day), Good Friday, Easter Monday, May 1st (Labour Day), Ascension Day, Holly Spirit Monday, August 15th (Snt Mary), September 14th (Holly Cross Day), October 28th (Anniversary of War Outbreak), December 6th (Snt. Nicholas), December 25th & 26th (Christmas & Boxing Day) & December 12th (local holiday).

6. Cancellation

If the towage and/or work is cancelled for any reason on behalf of the tow, then half (50%) of the amount in the Tariff Rates described above shall be owed as a compensation to our company.

7. Conditions of Towage and Other Services

All works and/or services undertaken under, or in connection with, these Tariff Rates shall be, at all times, subject to and include each and all the "General Terms and Conditions for the Provision of Towage and Other Services" of PROTUGS PIRAEUS Megatugs – Nemecca Z, Towage & Salvage Consortium, set out here below.

8. Notes:

- The above Tariff Rates are applicable to normal harbour towage services only. These services do not include towage services to be rendered to the tow outside of and further distant to or seawards, the Piraeus Pilot Buoy and which are subject to the rates specified in sundry services.
- The lumpsum charges *I.E. κατ Ι.Φ.*, as described above, are not subject to the agreed discount, if any.
- The extra charges for Christmas, New Year and Easter periods are not subject to the agreed discount, if any.
- The engagement of tug/s is to be arranged with the Operation Department at least twenty-four (24) hours prior to the anticipated physical performance of the service.
- Minimum time for charging purposes is deemed to be one (1) hour.
